

**NORTHWEST OHIO CONSORTIUM FOR PUBLIC HEALTH
INTERNSHIP WAIVER**

All NOCPH degree program students are required to complete an internship. Individuals with a minimum of one year of professional experience relevant to their major may be exempted from this requirement. An appropriate alternative scholarly project experience will be required in lieu of the internship. This completed form and supporting materials must be submitted to the UT-HSC Registrar. Please supply the following information:

Name: _____

Address: _____

Telephone: _____ e-mail: _____

Your major: ___ Environmental and Occupational Health
(check one) ___ Health Promotion and Education
 ___ Public Health Administration
 ___ Public Health Epidemiology
 ___ Public Health Nutrition

Why are you seeking an exemption? On the reverse side of this sheet or on a separate page, please describe your relevant experience in public health. Please attach relevant documentation such as a resume or other data in support of your request.

Approval by Consortial Directors:

L. Fleming Fallon, Jr., MD, DrPH
Bowling Green State University
Date: _____

Sheryl Milz, PhD
University of Toledo
Date: _____
