

Northwest Ohio Consortium for Public Health (NOCPH)

45 credit *Master of Public Health (MPH) Degree Programs* and 12 credit *Certificate in Public Health and Emergency Response Program*

SCHEDULE - Fall 2009 (Revised 7/28/09)

(Please note: *This schedule is subject to change. Please refer to the NOCPH website at www.nocphmph.org for up-to-date information.*)

1. **Registration:** All NOCPH registration is handled on-line via the University of Toledo Health Science Campus Registrar's Office located at the first floor of the Mulford Library Building. For registration, please see the instructions that follow:

WEB REGISTRATION:

The University of Toledo greatly appreciates your patience and understanding during our transition to the new Banner system. We are confident you will find its new Web features to be worth the wait! Highlighted features include:

- Change your address
- Add or drop classes
- View and pay your bill on-line
- View your course schedule
- And more!!!!

REGISTRATION INSTRUCTIONS:

You may now register and pay for your courses by logging on to **myUT** portal at <http://myut.utoledo.edu/>. Enter your UTAD username and password then select the "Self Service" tab and follow the student links to enter your Fall 2008 registration. If you experience difficulties with your UTAD account, activate or reset your password at <https://myutaccount.utoledo.edu> or call the help desk at 419.530.2400. If you encounter other difficulties with Student Self Service not addressed here, you may call 419.383.4224 during normal business hours. A registration assistant will work with you and attempt to resolve your problem so you can continue your registration via the web. You may search for courses through the "Self Service" tab of the **myUT** portal or, you may search without logging into the portal [here](#). Students who need courses that do not appear in the Schedule of Classes can submit a paper registration form to the HSC Registrar's office. Registration forms can be found at http://utoledo.edu/offices/registrar/health_science_campus/forms.html. Please be sure to enter your new Rocket ID on the form. You may obtain your Rocket ID at <https://myutaccount.utoledo.edu/>. You are encouraged to register for all remaining courses via Self Service. You may notice that some registrations have already been entered for you. Please verify these registrations are correct and proceed in entering the remaining courses you wish to take. **Student Self Service is normally unavailable from 3:00 AM until 5:00 AM for system maintenance.**

FEES:

Student fees have not yet been activated due to the impending implementation of the new Student Information System Student Account module. Once fees have been activated and assessed, you will receive notification at your official University of Toledo e-mail address; firstname.lastname@utoledo.edu. You will also receive information regarding the payment due date in the e-bill notification. Please note that fees will continue to be assessed at the student's highest level of matriculation in any semester. For example, if a student is matriculated at the medical level and would like to take a graduate course, medical level fees will be assessed for all courses. A new service available for students on the Health Science Campus, and thus a new fee that will appear on your bill starting in summer 2008 is the Student Legal Fee. All students are assessed the Student Legal Fee unless they indicate the desire to waive it. We encourage all students to consider this valuable service. For more information visit the Student Legal Services webpage at <http://studentlegalservices.utoledo.edu>.

FERPA:

The **Family Educational Rights and Privacy Act** of 1974, otherwise known as FERPA, is a Federal Law and was introduced to give students certain rights regarding the confidentiality of their educational records. FERPA gives colleges and universities the ability to release non-academic information, or "directory information", **without the written consent of the student**.

Directory information includes:

- student name
- local address and local phone number
- college and major field of study
- full-time or part-time enrollment status
- class rank
- e-mail address
- dates of attendance
- degrees and awards received

Students may restrict the release of their Directory Information by selecting the "Update Directory Information Release Status" found under the **Student Self Service Auxiliary Functions** on the Self Service tab of the myUT. Please keep in mind that if you decide to restrict your directory information, then any requests for such items as enrollment verifications, degree verifications, etc. will need your written permission before any of this information can be released to a third party, such as a health insurance company or prospective employer.

2. Sessions:

Fall 2009 courses are scheduled within the period **Saturday August 22, 2009 to Saturday December 19, 2008**, Refer to the specific class dates and times indicated for each course shown in the attached table. Contact the Course Coordinator (first name listed) for courses listed as BA or TBA. **No classes will be held on federal holidays. (Please refer to respective course syllabi for specific meeting dates/times). Also, PLEASE NOTE, courses offered by BGSU will not meet October 12-13, 2009 due to their Fall Break and courses offered by UT will not meet October ??, 2009 (specific dates TBA) due to their Fall Break. Again, please refer to Course Schedule for specific dates.**

3. Codes for Schedules:

- ◆NOCPH (Northwest Ohio Consortium for Public Health)
- ◆BG (Bowling Green)
- ◆UT (merged Univ. of Toledo) . . . UTMain = Bancroft Campus and UTHSC = former Med. Univ. of Ohio Campus
- ◆PHA (Public Health Administration)
- ◆HPE (Health Promotion & Education)
- ◆EOH&S (Environmental & Occupational Health & Safety Science)
- ◆PHE (Public Health Epidemiology)
- ◆PHN (Public Health Nutrition)
- ◆TBA (To Be Announced) ◆BA (By Arrangement) ◆NA (Not Applicable)

4. Approvals: MPH students must have course registration approved by their respective Major Coordinator or Advisor. Please contact Major Coordinators via e-mail or phone to discuss: Dr. Akbar (farhang.akbar@utoledo.edu ; 419-383-4543) or Dr. Milz (sheryl.milz@utoledo.edu ; 419-383-3976) for EOHS Science students; Dr. Fallon (ffallon@bgsu.edu; 419-372-8316) for PHA students; Dr. Roberts (stephen.roberts@utoledo.edu; 419-530-2765) for HPE students; Dr. Khuder (sadik.khuder@utoledo.edu; 419-383-4089) for PHE students; and, Dr. Boardley (debra.boardley@utoledo.edu 419-530-2433) or Dr. Pobocik (pobocik@bgsu.edu) for PHN students.

5. Internship or Scholarly Project: Please refer to your on-line *NOCPH Student Handbook* (www.nocphmph.org) to determine your eligibility. If you believe you are eligible, contact your Major Coordinator or Advisor for permission. **There are two course numbers for Internship and two numbers for Scholarly Project, but students register for only one depending on their major as shown below:**

INTERNSHIP:

Major	UT Internship Course Number	BG Internship Course Number
Env. & Occ. Health & Safety Sci.	PUBH 696	-
Health Promotion & Education	PUBH 696	-
PH Administration	-	PUBH 683
PH Epidemiology	PUBH 696	-
PH Nutrition	PUBH696 (Dr. Boardley)	PUBH 683 (Dr. Pobocik)

SCHOLARLY PROJECT:

Major	UT Project Course Number	BG Project Course Number
Env. & Occ. Health & Safety Sci.	PUBH 697	-
Health Promotion & Education	PUBH 697	-
PH Administration	-	PUBH 684
PH Epidemiology	PUBH 697	-
PH Nutrition	PUBH 697	PUBH 684

6. **Elective Schedules:** Lists of recommended Elective courses for each major are on-line (www.nocphmph.org under "Programs"/"Curriculum Design". These courses and, indeed, courses not listed may be considered to fulfill your program requirements for Elective courses. Also, course designated for a specific major, may serve as elective for another major. The Electives chosen must support the major knowledge and skill areas associated with your declared major (i.e., EOHS, HPE, PHA, PHE, or PHN). Also note, in all cases prior to registration, all elective courses must be approved by your Major Coordinator or Advisor as appropriate for your major and Plan of Study. Finally, for the overall Plan of Study, electives must be completed at both UT and BGSU. Please check the respective institution's website posted or hardcopy published university/college schedule for days and times that specific Elective courses are available.
7. **Seminar:** Please refer to your on-line *NOC PH Student Handbook* (www.nocphmph.org) to determine your eligibility. If you believe you are eligible, contact your Program Director for permission.
8. **Contact Hours:** All courses will satisfy requirements for an appropriate number of equivalent contact hours (e.g., ~15 hours/1 scr./semester). This may be accomplished, however, through a variety of possible modes, including all in-class/lab activities plus assignments or via a combination of in-class/lab activities supplemented by outside projects beyond normal assignments, internet modules ("web-enhanced"), etc.
9. **Directions to Levis Commons Classroom:** Address: 1655 North Wilkinson Way, Perrysburg, OH 43551

From 475, head south on 25, turn right onto Levis Commons Blvd. Continue past the movie theaters and turn right on Wilkinson way (**HINT:** look for the big red brick building with a blue strip, it's a two story rectangular building).

Enter through the main front doors. The classrooms will be on the right hand side.

**(Fall 2009 Schedule follows beginning on next page.
